'Dream Home' Tour at SummerGrove Slated for March 15 & 16

NEWNAN, Ga. SummerGrove is known for being one of the best-selling communities in the Atlanta area. The 'Dream Home' Tour, sponsored by The Home Source Realtors, will give visitors a sneak peak into the exceptional homes and lifestyle behind this master-planned community's success.

The free Dream Home tour, scheduled for March 15 – 16, will showcase seven custom homes in the Estate neighborhood. Each custom home combines the appeal of SummerGrove with luxury living. The homes are nestled on premium homesites with stunning lake or golf course views. And, in addition to touring some of Newnan's most desirable homes, there will be a drawing each day of the tour for a gift card to The Home Depot.

Tour goers will start at the SummerGrove Information Center by picking up a registration card and tour map. Then, take the card and visit designated designer model homes within the community. Visitors must bring the completed card back to the Information Center to be eligible for The Home Depot gift card drawing.

Homes in the Estate neighborhood on the tour range in price from the \$500s to over \$800,000, and feature styles ranging from traditional to cottage-style.

"The Dream Home Tour gives visitors a chance to see all that SummerGrove has to offer and the exquisite custom homes that can be found here," says Linda Huff, Broker for the builder services group at The Home Source Realtors. "SummerGrove's unique atmosphere and resort-style amenities give residents and visitors a sense of luxury living at all price ranges."

SummerGrove's appeal is not limited to its award-winning home designs. The community is known for having one of the area's most expansive amenity packages. Amenities include a private 18-hole, *Golf Digest*-ranked golf course, a 100-acre lake, miles of pedestrian paths and sidewalks, three swimming venues, a tennis complex and a variety of tot lots and neighborhood playgrounds.

SummerGrove is located at the intersection of Lower Fayetteville Road and Shenandoah Blvd. in Newnan. Tour hours are Saturday 11 a.m.-6 p.m. and Sunday 1 p.m.-6 p.m. For more information on the Dream Home Tour, call (770) 252-9000, or visit www.summergrove.com.
